

Place Your Own Hold Request Using Destiny Discover!

Step 1: Log in to Destiny Discover either on your mobile device (use the app) or on any library computer/iPad (<http://lvisd.follettdestiny.com>). Your username and password are your ID number WITHOUT the 0. The “Log In” button is the person icon on the top right.

Step 2: Once you are in Destiny Discover, use the search bar to search for the title you want to place on hold. Once the title you want appears, click on it.

Step 3: As long as the library has active copies of the title, there should be a red “Hold” button you click on to place this book on hold. It automatically holds it for you in our system and library staff will pull the book and have it delivered to you as soon as it is available.
